

## Written Financial Policy

Thank you for choosing Brite Dental. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

Upon making your appointment for dental treatment, you will be asked to pay for your upcoming appointment. This allows us to reserve dedicated time with the dentist or the hygienist.

Payment options: cash, check, Visa, Mastercard, American Express

Monthly payment options: can be arranged thru 

(CareCredit allows you low monthly payments. Promotional no interest if paid in full for up to 6 months. No annual fee or pre-payment penalties)

Dental Insurance: For patients with dental insurances we are happy to work with your carriers to maximize your benefits and directly bill them for reimbursement for your treatment. This does not mean this is a guarantee of payment from your insurance carrier.

Brite Dental charges \$65 for returned checks.
